There will also be a reduced price for families in receipt of the School Essentials Grant. Tickets will go up on Parent Pay this week.

Transition within the school will take place on Monday and Tuesday morning this week: There will be a large Year 6 group next year so not many Year 5s will be in Dosbarth Aeron. We start by sorting Dosbarth Aeron's composition of pupils then work down the school. The teachers and I have spent many hours discussing next year's class arrangements and have thought about the academic and social aspects. We do have split year groups in St Padarn's and they bring many benefits as the pupils enjoy collaborating with older/ younger pupils and forming friendships with pupils from a different year group.

St. Padarn's is a nut and sesame seed free zone – please do not send in products to school containing any nuts or sesame seeds – Thank you.

SCHOOL NEWS:

Catholic Life: The roll out of the trial of the Religious Education Directory is going well and the pupils are very engaged with their work. This year, we have started the programme by teaching the Year 1 and Year 4 curriculum. Next Year, the plan is to introduce the Year 2 and Year 5 schemes of work. If you want to see the curriculum, please Google Religious Education Directory - to know you more clearly.

NPEP project: Congratulations to Miss Jones and the Year 6 pupil researchers for the presentation at the university on your research enquiry. The presentation was excellent and the pupils confidently participated in the discussion afterwards. I felt very proud of our school. Miss Jones also presented regionally about our research work on Thursday. I am looking forward to hearing the talk again next week at the UKLA conference in Brighton. Thanks Miss Jones for all you do! The NPEP project will be filming in school again this week on **Wednesday and Thursday** with the pupil researchers and some staff members.

Miss Marie: Thanks to everybody who came to Miss Marie's farewell assembly or donated to the leaving present, she was overwhelmed by your kindness and sends her thanks to you all. We bought Miss Marie a beautiful bouquet of roses, some perfume, a bottle of wine and a voucher for £200. We all wish Miss Marie well in her new job as business manager at Penweddig. We will miss her for her efficiency with administration and technical knowledge but most of all for her kindness and positive personality.

Swimming: This week will be the final swimming session as the pool will be closed from the 3rd July-16th August for essential maintenance works.

Please get in touch if you have any worries or concerns, Have a good week.
